

# The Librarian's List of Oil and Gas Scholars Publication

2008-2010

The Librarian's List of Oil and Gas Scholars Publication is the product of international collaboration between Petroleum Institute Abu Dhabi and Universiti Teknologi PETRONAS, Malaysia which compiled all the research publication in Oil and Gas. The publications produced by both institutions are from the year 2008 to 2010. All the citation arranged in alphabetical order sorted by institution.
